KEY PRODUCT CAPABILITIES

Falcon Complete provides all the technologies and services required to instantly implement and continuously run a mature endpoint security program. It delivers the following benefits:

UNMATCHED NEXT-GEN BENEFITS

- **Guarantees protection:** Falcon Complete comes with a breach protection warranty that covers the costs you would incur in responding to a breach, including legal services, client notification, identity theft and credit monitoring, forensics investigation and public relations.

- **Protects against all types of attacks:** Falcon Complete protects your organization against commodity and zero-day malware, ransomware, exploits and advanced malware-free, fileless attacks — keeping you ahead of the rapidly changing tactics, techniques and procedures (TTPs) used by today's adversaries.

- **Combines the best prevention technologies:** For ultimate protection, Falcon Complete combines technologies such as machine learning for malware protection, indicator of attack (IOA) behavioral blocking and exploit blocking.

- **Single, lightweight agent:** Falcon Complete uniquely integrates powerful best-in-class prevention, detection and response, together with IT hygiene capabilities to provide continuous breach prevention in a single agent.

A FORCE MULTIPLIER: ALL THE HANDS-ON HELP AND EXPERTISE YOU NEED, WHEN YOU NEED IT

- **Getting you up and running and fully operational :** The CrowdStrike Falcon Complete Team works with your organization to get you started and assists your team throughout the deployment process. During this interactive phase, CrowdStrike helps you understand the prevention capabilities of the Falcon platform and tailors these security postures to best fit your business and security needs.

- **Freeing your IT and security teams from daily, time-consuming endpoint security tasks:** After initial implementation, the Falcon Complete Team administers the updates and maintenance of your solution, updating, monitoring and tuning Falcon to continually enhance your security posture. The Team also reviews, triages, prioritizes and resolves alerts generated by the Falcon platform and Falcon OverWatch. The Team identifies whether an alert is a false positive or a true incident and responds accordingly.

- **Reducing risk with immediate remote remediation of incidents:** When the Falcon Complete Team detects an incident, it can remotely remediate it. By ensuring that all incidents are handled immediately, Falcon Complete dramatically reduces the risks of a serious breach. In addition, the Team assists with guidance and expertise to help your teams with any security concerns they might have.

IMMEDIATE TIME-TO-VALUE

- **Easy deployment:** As part of the CrowdStrike platform, Falcon Complete requires only the installation of a small 25 MB agent, without requiring management infrastructure or management consoles, making deployment easy and efficient.

- **Immediately operational:** Falcon Complete can be deployed instantly for unrivaled time-to-value. As soon as it's installed, it hits the ground running, allowing the the Falcon Complete Team to monitor and protect your organization without requiring additional components, reboots, query writing, staging or complex configuration.

- **Zero impact on performance:** Thanks to its cloud-native architecture, Falcon Complete causes no additional impact on endpoints or the network.

ENDPOINT SECURITY AT ITS BEST

Falcon Complete revolutionizes endpoint security by providing all of the components required for a mature endpoint security posture, from the initial setup and day-to-day operations to the prevention and detection of threats, all the way to full incident handling, including immediate remote remediation and recovery.

FALCON COMPLETE: A UNIQUE SOLUTION

CrowdStrike Falcon Complete is the only endpoint security solution with built-in proactive threat hunting and remote remediation, backed by a team of security experts that serves as your force multiplier, 24/7.
