

CROWDSTRIKE

The Business Value of the AI-native CrowdStrike Falcon XDR Platform

IDC validates that consolidating with the CrowdStrike Falcon® XDR platform delivers major benefits to interviewed customers.

“CrowdStrike puts us in a proactive mode of operations. The name of the game is quick detection and remediation. Every second counts. We can run leaner, and we have fewer situations with an outage or where we are chasing a ghost.”

— CrowdStrike customer

Stop breaches.

96%

more potential threats identified in half the time

Save time.

2x
